

# EXPLORE BLASTED WASTES

(Page 1 of 2)

You have emerged from the stable gate to the Blasted Wastes. Taking a swing of water from your canteen and wiping your brow you set out to search this desolate land.

## PREREQUISITES

- Blasted Wastes

## SET UP

Before starting the adventure roll **D6**. On the roll of 5 or 6 the posse immediately finds a trail leading to Blasted Waste Barter Town (See **Objective: Trail to Barter Town**). If you roll 1-4 set up this mission as detailed below:

Draw a random Blasted Waste Map card and place the matching tile. Place the Gate cap on the map tile opening with the arrow and place the posse on the squares immediately in front of or adjacent to the gate. This is where the gate opened to on this trip.

Draw an Exploration token and resolve. If the Map card includes an Advanced encounter draw and resolve the encounter card also.

## MISSION GOAL

Search the Blasted Waste and make it out alive!

## SPECIAL RULES

### GATES

## IMMEDIATE DREAD

For this Mission, **Growing Dread** cards are revealed immediately when drawn rather than being placed on the stack.

## FLEEING

To successfully flee, all non KO'd heroes must successfully escape all adjacent enemies and start the turn on a tile without enemies. See **Failure: Flee**.

## RETRANCING STEPS

If passing through an already explored tile, when the first hero moves onto the tile roll **D8**. On the roll of 1-2 the heroes encounter a Threat. Draw a threat card as normal. If the roll was 1 the threat has ambushed the posse.

## DARKNESS REACHES OR PASSES THE POSSE

If the Darkness marker reaches or passes the Posse marker, all future encounters automatically gain 1 additional elite ability.

## DARKNESS ESCAPES

Instead of automatically failing the mission, if the Darkness makes it to the 'Entrance' on the Depth Tracker the posse is immediately confronted by an EPIC Threat. Draw an Epic threat and resolve.
